

# ICE SLED SAW

## PROACTIVE ENVIRONMENTAL RESPONSE PRODUCTS

2018/2019 Product Price: \$7,280.00/unit

Proactive is pleased to present our in-house built Ice Sled Saw. Designed for safe and efficient winter response, this saw meets the demands of ice slotting in harsh winter conditions. This saw will exceed your emergency response expectations, both in safety and performance, when compared to current industry offerings.

\*Discounts available for multiple units. Pricing is plus applicable taxes
